I toni pastello non tradiscono l'anima grintosa del look. La camicia con frange multicolor (SProgress), scopre il reggiseno in pizzo (Florale by Triumph) e si abbina ai pantaloni in pelle con impunture (Vlasta Kopylova). Estroso anche le scarpe effetto cocodrillo con plateau (Vivienne Westwood). Completa lo stile il cappello maschile (Borsalino) insieme al chocker in metallo, la collana multistrata e l'anello. Tutto Sharra Pagano.
